

Group 2

Overall Comments: As the first draft of SPMP, you have done a good job, but need **more** work to produce a high quality document. I wrote my detailed comments directly into your submitted hard copy. Hope these will be helpful for you to prepare the final version of SPMP.

For any questions, please feel free to contact me.

Section	Contents and percentage of each part	Your Mark	Comments and Suggestion
2,3,4	Introduction and reference (10)	8	A number of typos and grammatical problems. Some items of Project Deliverables are not detailed enough. See the hard copy for detailed comments
5	Project organisation (10)	9	Good coverage of SE activities, but pay attention to English. See the hard copy for comments.
6	Risk management plan (30)	22	Good coverage of risks, still more important risks need to be identified and planned. For each risk, please identify indicators.
7	Process model (10)	7	Model presented with detailed explanations.
8	Work plan (30)	20	The tasks need to be small enough to be manageable. Detailed estimation of smaller tasks is needed. Check the hard copy for comments.
9	Supporting plans (10)	7	More information is needed. Check the hard copy for detailed comments.
